

## PhDr. Veronika Polóniová

**Position:** Assistant Trainer in English

**Department:** Department of Languages , FCHPT STU

**Courses:** Technical English I, II

PhDr. Veronika Polóniová has been working at the FCHPT as a language lecturer since 1982. At present she teaches technical English at Bc level of study. For several years she was a teacher in language courses for PhD. students as well as in conversation courses for students and employees at the FCHPT. She specializes in the characteristics of professional language and translates professional texts. Ms. Polóniová is the co-author of the textbook English for Chemists. As needed, she prepares supplementary teaching materials for educational levels A1, A2, B1 and B2, including materials for continual testing and student examinations.
